A.S.S.V. Esprit

A.S.S.V. Esprit is *the* fencing club for students in Amsterdam. We are a diverse group of student fencers who find a great atmosphere just as important as intensive training. Why not join us to see what fencing is about?

Never fenced before?

Not to worry! We give a nine week introduction course in which you learn the basics of the sport and its three weapons. More information on the introduction course can be found on the website of the USC: www.usc.uva.nl

Want to train?

We train on Monday and Friday evenings in the Universum, located at the Science Park. The training sessions on Mondays are from 19:00 to 22:00, under guidance of Daniel Nivard, while on Fridays the training sessions are from 20:00 to 22:00, under guidance of Christiaan Jelders. Training sessions allow members to put group and individual lessons into practice while fencing each other.

Who teaches?

Our maître d'escrime is Daniel Nivard, who has many years of experience within the fencing world. Next to his work training upcoming talent for the Royal Dutch Fencing Association, Daniel Nivard also runs the company *DNCoaching* to promote fencing to as many people as possible. Daniel Nivard is assisted by Christiaan Jelders, who forms a formidable opponent in any epee match.

Is there more?

The club provides members with the possibility to participate in a variety of activities. Fencing related activities such as national and international fencing tournaments at a wide range of levels are often seen as highlights within the year. Social events are also organised by the club, ranging from lasergaming to parties, allowing members to interact without stabbing each other.

What are the costs?

Memberships fees for the club can be seen in the opposite table. Please note this excludes the membership fees for the USC (the sports centre). Should you fence for more than six months, you will be asked to become a member of the Royal Dutch Fencing Association (KNAS). More information regarding KNAS-membership and relevant fees can be obtained from the board.

Full Year €30

Half Year €15

How do you join?

Becoming a member A.S.S.V. Esprit can be done by filling in the registration form on the back of this leaflet, and returning it to a board member of A.S.S.V. Esprit. Membership commences upon receiving the relevant membership fee, and must be transferred within a period of 14 days to IBAN 'NL15 INGB 0004 5123 84' under the name 'ASSV Esprit'.

Questions?

Feel free to contact the board for more information either via email (info@assvesprit.nl), or at the following address:
